

## TIRED OF WORKING TOO HARD, STRESSING TOO MUCH, AND NOT HAVING NEARLY ENOUGH FREE TIME?

Ever find yourself wondering, “What’s going wrong here? I thought I got into copywriting to savor 3-hour lunches, afternoon golf, and breezy, sunset naps in the hammock”?

Well, if you are like many copywriters your problem is (luckily!) a simple one: You are quite likely doing things. . . The. . . Long. . . Way. . .

See, while freelancers and entrepreneurs *are* enjoying more freedom than the average working stiff, the truth is some of us are enjoying life a whole lot *more* than others—in other words, some of us are **WORKING LESS AND EARNING MORE**.

How? . . . Simply by taking advantage of very specific tips, tricks, formulas, and shortcuts discovered by the masters allowing them to churn out all types of promotions in **MUCH LESS TIME**. . . with much less stress!

And. . . the real time saver is that these liberating techniques have finally been assembled into one short, easy-to-use, and ridiculously affordable report.
